

GOVERNMENT OF ANDHRA PRADESH
HEALTH MEDICAL & FAMILY WELFARE DEPARTMENT

Order No.148/COVID-19/2022 Date: 12/02/2022

COVID INSTANT ORDER - 148

Sub:- HMFWD – COVID -19 – Conditional de-notification of Covid hospitals & Covid Care Centres in the state – Certain instructions issued – Reg.

Ref:- 1. HMFWD Dept – Covid Instant order – 137 dated: 05.01.2022
2. HMFWD Dept – Covid Instant order – 141 dated: 09.01.2022

Orders were issued in the reference 2nd and 3rd cited duly notifying certain hospitals across the state as covid hospitals and Covid Care Centres to manage the covid19 cases.

As there is considerable reduction in the cases consistently reported in all the districts in the last two weeks, the hospitals across the state may be reviewed and if they can be de-notified as covid Hospitals, the District Collectors are requested to de-notify the Government and Private Hospitals to continue their medical services. However, necessary provisions shall be taken to earmark considerable number of beds and wards for covid-19 management in accordance to the guidelines issued by the GOI and state of AP.

However, in case of any surge in Covid19 positive cases in future, District Collectors are empowered to notify again the above hospitals fully or partially as Covid Hospitals

Further, to manage the asymptomatic and mild symptomatic covid19 cases, 187 Covid care centres were established and admissions to these CCCs are very minimal. Hence, the District Collectors are requested to discontinue the CCCs and may run one or two CCCs as per the district specific requirements.

The District Collectors shall ensure that all the patients are discharged duly following discharge protocols and no patient shall be discharged abruptly.

The District Collectors shall take necessary action in de-notifying the district Covid hospitals conditionally and closing the CCCs as per existing case load.
