COVID INSTANT ORDER- 86

Sub: HMFWD – COVID-19 –conditional de-notification of District Covid hospitals in the state – certain instructions issued –reg.

- Ref : 1. GO Rt 215 HM& FW(D1) dept 24.03.2020
2. HMFWD Dept- Covid Instant order -7 dated 27.03.2020
3. HMFWD Dept- Covid Instant order -14 dated 29.03.2020
4. HMFWD Dept- Covid Instant order -84 dated 30.11.2020

Orders were issued in the reference 2nd and 3rd cited duly notifying the certain medical college hospitals across the state as first layer hospitals/District covid hospitals to manage the covid19 cases. Required infrastructure was provided by supply of ventilators strengthening ICU facilities and HR support.

As there is considerable reduction in the cases consistently reported in all the districts in the last four weeks , the hospitals across the state may be examined if they can be de-notified by District Collectors. So as to continue their clinical and teaching services. However, the above hospitals have to earmark considerable number of beds and wards for covid19 management in accordance to the guidelines issued by the GOI and state of AP.

In case of any surge in Covid19 positive cases, District Collectors may notify again the above hospitals fully or partially as District Covid Hospitals.

The District Collectors shall take necessary action in de notifying the district Covid hospitals conditionally.
