

GOVERNMENT OF ANDHRA PRADESH
HEALTH, MEDICAL & FAMILY WELFARE DEPARTMENT

Order No.22/COVID-19/2020

Dated 10.04.2020

COVID INSTANT ORDER - 22

Sub:- HM&FW Dept., - COVID-19 – Dead body management protocol
for suspected COVID patients - Reg

All the District Collectors shall ensure that dead body of suspected COVID patient shall not be handed over to the family members/ relatives until receipt of the test result of the deceased to avoid unnecessary spread of infection to others. If the test result is turns out to be positive, then the dead body management protocol which was circulated through **COVID INSTANT ORDER -10** shall be followed scrupulously.

Further, all the superintendents of the teaching hospitals shall appoint a nodal officer for obtaining the test result of the deceased on hot line mode.
